Software Skills

Personal Summary:

An organized, creative and story-driven artist with a variety of experience on many unique projects! Primarily a storyboard artist with experience in 2D animation and visual development.

Experience

3DBOB Productions - Vis Dev Artist + generalist

October 2023 - April 2026

Designed props and environments for Star Spangled Adventures season 1, 2, and feature film. Gathered reference to ensure historical accuracy of assets. Modified and animated bg crowd characters in Blender.

Armada Content - Storyboard Artist (freelance)

May 2023 - August 2023

Storyboarded for Bedtime Defenderz, a comedic action/adventure children's show. Worked from scripts and provided thumbnails, animatics, and revisions working in StoryboardPro.

Nuboom Studios - 2D Animator (freelance)

October 2025 - January 2026

Completed rough 2D animation in ToonBoom Harmony for "Wheels & Roses" and "Spin Cycle." Received feedback on shots and made revisions in a timely manner.

Pencilish Animation Studios - 2D Animator (freelance)

Since January 2022

After interning with Pencilish in college, I have done consistent freelance work on an as-needed basis. My work has included 2D animation, inbetweening and cleanup in ToonBoom Harmony for Bjorn the Last Unicorn, Aro Lucha, My Hero, and more.

Education

Lipscomb University, Nashville TN

Bachelor of Fine Arts in Animation
